EVENT BROCHURE

DUBAI 2026

OUR STORY

COYA is more than a restaurant - it's a celebration of life, flavour, and connection.

Every gathering at COYA tells a story - whether it's an intimate dinner among friends or a grand celebration that fills the room with rhythm and colour. Our events team curates each occasion with the same passion that defines our kitchen: authenticity, creativity, and a touch of COYA's spirited soul.

Discover versatile spaces that bring people together - from the vibrant **Main Dining Room** and **Brassa**, to **elevated indoor terrace** with Burj Khalifa views, the lively **Pisco Bar**, or the **Private Dining Room** with its own bar. For those who wish to make COYA entirely their own, a full venue takeover transforms the space into your personal celebration of Peruvian-inspired luxury.

Add a layer of discovery to your event with experiences such as our Pisco Sour & Ceviche Masterclass, and let us craft a journey that blends hospitality, culture, and emotion - where every moment feels alive, personal, and unforgettable.
